

## FACADE GRANT APPLICATION \*

1

\*Grants are awarded 50-50 match basis with a maximum Albemarle Downtown participation of \$1,500 per Facade project.

### Purpose:

To provide an economic incentive to: Renovate storefronts in Downtown Albemarle, encourage good design projects that capitalize on the rehabilitation of existing properties, and to preserve unique historic characteristics.

### Eligibility:

1. Owner(s) or tenant(s) of a building located within the Central Business District (CBD), City of Albemarle Historic District (COA HD) or Municipal Service Tax (MSTD) as defined in the Albemarle Downtown Development Corporation service area.
2. Owner(s) and tenant(s) may request incentive facade grants separately; however, any tenant(s) must have the owner's written permission attached to the application.
3. The Albemarle Downtown Design Committee may judge a property eligible for a second sign grant if:
  - at least five (5) years have elapsed since the first grant was awarded and the facade is in need of further improvement, i.e., repairing, repainting;
  - the existing business undergoes significant expansion that requires alteration to the facade, i.e., expanded services; or
  - a new business moves in and requires changes in the facade, i.e., new sign, new awning.

### Guidelines:

1. The Secretary of the Interior's Standards for rehabilitation will be used as guidelines in making improvements to the façade of the structure.
2. Rehabilitation of structures in the CBD, COA HD, or MSTD should be considered a contemporary solution that respects the architectural integrity of the entire building front, retaining those elements that enhance the building.
3. All rehabilitation design proposals will meet with the code requirements of the City of Albemarle.
4. Any exterior renovation proposal - from entire facade rehabilitation to the replacement of an inappropriate sign - is eligible for funding, but top priority will be given to projects that will make a highly visible contribution to the commercial district.
5. All signage must meet with local zoning or ordinance restrictions. If a Certificate of Appropriateness is required for the work to be done, the Design Committee will not review or consider the application until prior approval is received by the Design Review Board.
6. The Design Committee will not approve any grant requests for business name(s) on awnings.

### Source of Funds:

The Design Committee Façade Grants are made possible through private contributions and may include appropriations from the City of Albemarle and the County of Stanly.
